

**Alicia de la Rúa de Louis**

Alicia de la Rúa de Louis is bilingual as a result of studying from the age of 4 in American schools in the Dominican Republic. She studied Fashion Design at the Polytechnic University of Madrid (CSDMM) and specialised in leather accessories and stage costume design. After graduating, she worked for half a year in theatre plays in Gran Vía in Madrid as a stage costume assistant. After that, she spent almost 7 years working in fashion design companies, where her work was mostly in English having to communicate with people in Bangladesh, India and China.
